WELCOME

The Bosque Farms Fair Association welcomes you to the annual Bosque Farms Community Fair. We believe that you will find this year's fair in keeping with the community spirit of the very first fair in the summer of 1939. For years, the people of Bosque Farms and the surrounding areas have kept alive the traditions of neighborliness and friendship that were the inspiration for that fair.

Although the community has undergone dramatic changes over the years, we'd like to think that those who attended that first fair would still feel right at home. We hope that they'd approve of the changes that have been made and we feel sure they'd be glad to see that some of the things they started are still ongoing today. Most of all, we hope they'd find plenty of friendly faces in the crowd. No matter how large the community might grow, we hope it never outgrows the simple joys of community togetherness that the fair strives to preserve.

We wish to thank those loyal supporters both old and new who continue to support the fair year after year through donations of time and money. Thanks to all those wonderful people we still have our community fair and with their support will continue to do so for many more years.

We urge you to patronize the many businesses that support the fair. Let them know that you appreciate their support as much as we do.

We invite you all to join us for these years fair. Meet old friends and make new ones. Check out the exhibits, enjoy the events, and join in the fun. We hope you'll be glad you came.

WHAT IS THE BOSQUE FARMS FAIR ASSOCIATION?

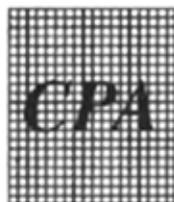

The Bosque Farms Fair Association is a non-profit organization of volunteers who do the behind the scenes work of planning and presenting the annual Bosque Farms Fair. Anyone from the community is welcome. If you are looking for a way to become more involved in creating a better community and a better fair, we are looking for YOU! **COME JOIN US!** We also need volunteers to help each year with one or more projects before or during the fair. If you don't have much time, but would like to help out a little, just give us a call—we need all the help we can get!! For more information call any member listed on the information page.

THE HISTORY OF BOSQUE FARMS

Our history begins in 1500 when the Tewa Indians lived in our valley. The earliest Spanish settlers arrived next. When Spanish colonists claimed the new world for Spain, and were granted land.

Don Solomon Luna had large land holdings in this area. When he died, his son, Don Eduardo Otero, used 28,000 acres for grazing cattle and farming.

In 1934, this land was used by the U.S. government for rehabilitation of farm families relocated from the Great Dust Bowl of northern New Mexico, Texas and Oklahoma. The 28,000 acres were divided into 43 tracts 40 to 80 acres per tract. On May 2, 1935, a public drawing was held, and the tracts were sold to those lucky enough to have their names drawn. The land sold for \$140 per acre, and the new residents had 40 years to pay for it. The new settlement became known as Bosque Farms. The Works Progress Administration (WPA) cleared the land and built homes for the new settlers. Many Spanish style homes are still in use today. In 1939 the WPA built the original Bosque Farms school which is still in use today. At that time, it taught students in grades 1 - 8. The Bosque Farms school was the first school in the state to serve hot lunches to their students. Recreation for the students was community created. Dances, softball games and community dinners were popular. The residents voted to incorporate in 1974.

THE BOSQUE FARMS COMMUNITY FAIR

By Mrs. Chester Carpenter

The Bosque Farms Fair was organized in the summer of 1939 and was sponsored by the Extension Club of Bosque Farms for several years. For the first few years the fair was held on Labor Day.

The first fair opened bright and early with the vast sum of \$14.11 in cash. After much planning it was decided the Extension Club would sponsor the refreshment stand. Mr. and Mrs. Sig McKinzie consented to be in charge of arrangements for the stand. Even though they were very busy all day, they entered several things in the fair, winning several blue and red ribbons along with a champion flower arrangement.

The races for the children created a lot of enthusiasm because of the cash prizes for the winners. First place was fifty cents, second place was twenty-five cents, and third place was ten cents. The money for the prizes was profit made from the Extension Club booth. The first race of the day was a tiny-tot race and each person who entered received five cents even though some did not leave the starting line. The second race was a "hot race" for everyone had to have a toad to enter. (Toads were scarce for weeks after the fair!) Each toad was marked on his back with a number and the child who entered it received a like number. A circle of about 10 feet across was marked off and at the starting whistle the toads were all dumped out of a bucket in the center of the ring. There was a lot of calling and excitement, for the first toad to hop out of the circle won a dollar for his victory. There were various races held throughout the day. Even the women participated in the fair by throwing the rolling pin and driving nails. There were foot races for the fat women as well as skinny ones. When the money ran out, they would call a rest for ten minutes so that people could go to the refreshment stand to spend their winnings on pop, etc. In this way there was money again with which to run more races. After the prizes were distributed for the winning fair exhibits and expenses for the "stand" were settled, they had \$7.50 for a start on next year's fair. As the years went on, they had a "Beauty Contest" with Ann Noble being the first Beauty Queen. In 1942, a preschool "Better Baby" show was held with almost every child in this age group being entered. Robert Morrison was the first contest winner. The motto in for the original fairing 1939 was "Bigger and Better."

The first fair was originated by Mrs. Crystal Carpenter. It grew larger and more popular each year. Our fair is the only community fair still celebrated in New Mexico. It reflects the pride our residents still have in our community. Since then, we've enjoyed years of community fun and renewing old friendships.

Grand Marshall

Maggie Geddes

Maggie was born and raised in Indiana. When she was in high school a friend of her fathers gave him a subscription to the New Mexico magazine which she enjoyed reading. Later when she was in college she went to work for TWA and was able to take advantage of free travel to visit New Mexico to visit a college friend. After graduating from college, a job with TWA in Albuquerque became available and she moved to New Mexico in 1962. In 1982 she moved to Bosque Farms. The following year she retired from TWA and decided to take an active part of life in Bosque Farms.

She signed up to work the elections and did that for 20 years. She joined the VFRS (Valencia Flying and Retrieval Society, balloon club) and was active for 17 years. She served as the chairperson of the St. Patrick's Day Balloon Rallye for two years. She joined the Friends of the Bosque Farms Public Library and is still a member and also serves on the Library Board. She had been in 4-H in junior high school and exhibited at the local county fair and the Indiana State Fair so she started exhibiting her artwork, sewing and needlework at the Valencia County Fair and then the Bosque Farms Community Fair. She was asked to join the Fair Board in 1998. She worked with the fair until her retirement in 2009 during which time she served as both Vice President and President.

Maggie has been working as a library aide at the Bosque Farms Public Library for the past three years and spends her spare time with her animals and beading.

Enjoy the Fair!

Bosque Farms Queen

My name is Nicole Archuletta and I was the Bosque Farms Queen for 2009-2010. It was a great experience for me. I really enjoyed appearing at different rodeos to represent Bosque Farms. I encourage every young cowgirl to become part of the royalty of Bosque Farms, it is a lot of fun and you get to wear a beautiful crown! I thank everyone who helped me throughout the year I was queen! In the fall I plan to go to CNM community college to receive my associates degree then transfer to NMSU in Las Cruces to get my Pre-Veterinary degree, then finally I will finish my schooling to fulfill my dream of becoming a livestock veterinarian. Again thank you Bosque Farms for letting me represent and be your queen!!

Hello there! My name is Kimberlie and I am the 14 year old daughter of Tom and Rhonda Shofner of Los Lunas. Next year I will be in the ninth grade where I hope to home school. I am an active member of the Valencia County 4H program where I enjoy showing my horse, Eagle's Alibi in the Horse project and my dog, Bunny, in the Dog project. I also enjoy showing my horse in local horse shows and my dog in AKC and ASCA shows. As a member of my youth group, "Pierced," from Calvary Chapel in Belen, I have enjoyed discipleship training and short-term missions trips. I also enjoy the sport of Tae Kwon Do.

What a wonderful year I have had as the 2009-2010 Bosque Farms Rodeo Princess! From representing Bosque Farms in Electric Light Parades, State Fair and Jr. Rodeo Grand Entries, to wearing the crown at the NMRA Annual Awards Banquet, I have had a great time! I have so many people to thank for this treasured experience including the Bosque Farms Fair Board, the Bosque Farms Rodeo Association, all of the very generous sponsors, Miss Heather, the Knowlton-Quigley family, and my family and friends. I would like to wish all of this year's Royalty contestants the best of luck and I hope ya'll enjoy the Fair!

As an active member of the Valencia County 4H program, Bethanie enjoys working in the horse project, dog project, and braiding project. She also enjoys playing soccer and hanging out with her friends.

Bethanie was proud to represent Bosque Farms as the 2009-2010 Rodeo Sweetheart in several parades and Grand Entries this year. She was also honored to wear the crown at the Annual Awards Banquet for the NMRA. Bethanie would like to thank everyone for the great experience of being the 2009-2010 Bosque Farms Rodeo Sweetheart, especially the Bosque Farms Fair Board, the Bosque Farms Rodeo Association, all of the wonderful Fair and Royalty Contest sponsors, Miss Heather, the Knowlton-Quigley Family, and of course, her own family and friends for their support. She sends out her best wishes for all of this year's royalty contestants and hopes that everyone comes out and has a great time at the 2010 Bosque Farms Community Fair. See ya there!

WHAT IS 4-H?

4-H is the youth education program of the Cooperative Extension Service, established in 1914, and conducted jointly by the U.S. Department of Agriculture, the state land-grant universities and county governments.

Today's 4-H program is for all youth, rural and urban, from all racial, cultural, economic and social backgrounds. It reaches girls and boys in a variety of ways: as a member of organized 4-H clubs, as a participant in special interest groups, as enrollees in short-term projects, through camping, and in programs planned to meet specific needs of youth and the communities where they live. Girls and boys "learn by doing" in 4-H.

4-H gives young people an opportunity to take an active part in learning about and solving problems that face them and their communities. Members participate in projects that give them knowledge of science, agriculture, home economics, personal development, community service, leadership and citizenship. Often this knowledge helps open the door to a future career. **THE MAIN PURPOSE OF 4-H IS TO HELP YOUTH BECOME EFFECTIVE CITIZENS.**

Some of the 4-H projects most popular with the youth are food/nutrition, clothing, home beautification, health, safety and leadership. In rural areas, many 4-H members work with livestock, crops, forestry and machinery. Also popular everywhere are projects in electricity, conservation, home gardening, photography, public speaking, woodworking, entomology and personal grooming. Older boys and girls find satisfaction and challenge in projects such as automotive care, career studies, money management, consumer education and leadership. In Valencia County, some of the largest projects are rodeo, horsemanship, livestock judging, leather craft and dog obedience.

4-H clubs reorganize each Oct. and Nov. If you have a skill to share or a child interested in a worthwhile activities that is also fun, contact the County Extension Service at 865-9561 to find out what clubs are available in your area.

Welcome Home, Michael Malarsie!

Our own hometown hero was raised here in Bosque Farms and is a 2006 graduate of Los Lunas High School. After graduation, Michael joined the Air Force and a short time later became a TACP. He spent nearly three years stationed in Kansas at Ft. Riley before being deployed to Afghanistan in the first week of December, 2009.

On January 3, 2010 he was injured by an IED while on routine foot patrol. On May 12th, he came home to continue his recovery with family and friends. He and his wife Jesse were married on June 25th, and are settling in to their new house together.
